Re: Varughese v. Mount Sinai Medical Center, et al.  
Docket No.: 12 Civ. 8812 (CM) (JCF)

Dear Judge Francis:

On behalf of our clients, Mount Sinai Medical Center and the Individual Defendants (“Defendants”), I write to supplement my letter to the Court, dated January 9, 2014, regarding Plaintiff’s request, among other things, for an extension of the discovery cutoff. In light of Mr. Wronko’s illness, and because the depositions of Dr. Jordan and Dr. Morency were scheduled to be taken before the discovery deadline of January 15, 2014, Defendants have no objection to a thirty-day extension of the discovery cutoff solely for the purpose of taking those depositions. As set forth in my January 9 letter, Defendants continue to oppose Plaintiff’s request for an extension of the deadline in all other respects.

Respectfully submitted,

  
Rory J. McEvoy
